2. Where The Money Is: Those runners which stand out as being well supported early.

Muswellbrook Race 6 No 6 The Brown One at \$8.00 and there is a little support for this one early in betting so might be worth an eachway bet in a very open race at the odds.

Fridays Predicted Betting Outlook:

Goulburn and the early money for the 1st race is low but even so the result looks really obvious unless something really goes wrong with race 2 again the early money is low but the race looks predictable and one of the favored runners will win and hopefully we have tipped the right one with race 3 the early money is low but this race looks really to be fought out between the 2 favored runners so I doubt there will be any real surprises here with races 4 onward's the early money is low and a lot of luck is going to be needed to navigate these races successfully so I would advise real caution moving forward. Rockhampton and the early money for the 1st 2 races is really good and race 1 looks to be fought out between the 2 favored runners so no surprises predicted here with race 2 again this race looks really predictable so no concerns unless something really goes wrong with race 3 the early money is OK and again this race looks predictable so I don't foresee any major surprises with races 4 onward's the early money is good and there are some good chances engaged in these races today and there is value so it might be worth watching this meeting a little more closer than usual. Bendigo and the early money for the 1st race is strong and the results looks predictable although an ounce of luck will be needed with races 2 & 3 the early money is good and these races do really look predictable although again a touch of luck will be needed with races 4 onward's the early money is good and there is value in these races and the day does look to have some potential with just the right luck needed so mostly hopeful. Muswellbrook and the early money for the 1st 2 races is OK and these races do look predictable although a touch of luck will be needed with race 3 the early money OK and the result looks really achievable with races 4 onward's the early money is just OK but a certain level of luck is going to be needed for it to be a successful afternoon.

Fridays Predicted Betting Outlook:

Ballina and the early money for the 1st 3 races is low which is not unexpected for a really early time start on a Friday and in all honesty the 1st few races look to belong to the favored runners so I am predicting no outlandish surprises early and I think that is fair with races 4 onward's the early money is low and my interest is low but it might surprise but not that confident at all with this meeting today. Geelong and the early money for the 1st 3 races is good and although they are fairly open races I think we may be in with some sort of chance so a little cautious but generally hopeful early with races 4 onward's the early money is good and punters seem to be shopping for value today and this reflects in today's selections so happy, cautious and optimistic all at the same time.. Canberra and the early money for the 1st 3 races is zero but on the upside the favored runners do really look like the best option but I am not certain so a little caution may be advised early with races 4 onward's the early money is low and there are some good chances involved in these later races but I am going to be playing this meeting with quite a bit on caution. And finally Rockhampton and the early money for the 1st 3 races is low and these are uncertain races so some degree of caution may be best advised with races 4 onward's the early money is low to good with some good prospects engaged today these later races might be worth a look.

Fridays Predicted Betting Outlook:

Toowoomba and the early betting money for the 1st 3 races is low but even so it is hard to see much going wrong early as the favored runners really do look to offer the best options with races 4 onward's the early money is light so some caution may be needed. Goulburn and the early money for the 1st 3 races is really soft so some care might be required so I am hopeful but cautious with races 4 onward's again the early money is soft so some caution may be best advised. Dubbo and the early money for the 1st 3 races is soft but it is really hard to go outside the favorite runners in these early races as they really do look to have the best chances so predicting a good start with just the right luck need with races 4 onward's the money is soft to good but a little caution may be best advised for these races so hopeful but a little cautious. Geelong and the early money for the 1st 3 races is strong and punters are navigating towards value and this reflects in the selections so I hope they are right and time will tell with races 4 onward's the early money is again strong and there is some good value in today's selections so optimistic of the outcome.

Fridays Predicted Betting Outlook:

Taree and the early betting money is light for the 1st 4 races so I would use a certain level of caution if approaching these early races with races 5 onward's the early money is again fairly light so some level of caution may again be best advised and watch the results to see if any betting patterns emerge which may be helpful. Geelong and the early money is light for the 1st 4 races but on the upside the best chances look to be the favored runners so these races look fairly safe to play with races 5 onward's the early money is good to high and these races will be the ones to watch I feel for today that is if you are looking for a little value on the program. Scone and the early betting interest for the 1st 4 races is light so some caution may be best advised for these

early races and as always hopeful but a little cautious with races 5 onward's again the money is pretty light so still optimistic about today's meeting but as always a little cautious. Sunshine Coast and the early money is light for the 1st 3 races with very good early money support for races 4 onward's so these will be the races to watch with some level of high confidence. Final Result - A win and paid out at \$861.30 for 100%

Fridays Predicted Betting Outlook:

Casino and Canberra and the early money is low as you might expect for a Friday so caution is advised for both of these meetings today. Werribee and the early betting money is just at an OK level but not unusual for a Friday meeting and even so I still think this meeting has strong potential prospects so I would approach it with some level of confidence. Ipswich and the money is low so some notice might need to be given to the results to check for any betting patterns so its my advice to pay a little caution to this meeting today. And finally Cranbourne and this is the meeting of the day with strong early money support so it will be interesting to see how the night goes and I am approaching it with good intentions.

Fridays Predicted Betting Outlook:

Ipswich and in the 1st 4 races the early betting money is really low but the favorites look the best option here but take completely on trust with Ipswich races 5 onward's the early money is just OK but as a theme for the day check the results for any betting patterns which may occur and go from there with a certain degree of caution advised for this meeting. Scone and the early money interest in the 1st 4 races is low so again show some caution and take on trust with Scone races 5 onward's the money is really good so have plenty of optimism for the selections in these races but as always watch the results and go from there. Coffs Harbour and once again today the early money in the 1st 3 races is low so use caution with Coffs Harbour races 4 onward's the early betting money and betting interest is low so use caution with this meeting and as always hopeful for the best but not that keen. Geelong and once again today there is little betting interest early with the 1st 4 races so once again use caution when betting these early races with Geelong races 5 onward's again the early betting interest is low so some caution is advised for this meeting today which is unusual to say the least for a Victorian meeting. Naracoorte and as is the general theme for this Friday there is virtually no early betting interest in the 1st 4 races so once again today back on trust with Naracoorte races 5 onward's once again the early betting interest is low so take on trust as well. Albany and once again today there is little early betting action to report but even so I can say that I do predict a lot of short priced winners should really be saluting. And

finally Cranbourne and the early betting interest is good and I can see punters think that there is not going to be that many surprises tonight and I am hoping they are right so will be watching with keen optimism and touch wood for luck.

Muswellbrook & Wagga and although the early betting money is light there does look to be potential value within today's cards that's if the cards fall in the right order and hopefully they will so there is plenty of potential but as always keep your eyes on the results to see if any betting patterns emerge. Bendigo and the early money is very good and I have good hopes for this meeting with a solid mix of favorites that really should win and value runners with valid chances of success so very hopeful of a good outcome here today. - + Best tipped First 4 dividend: \$402.80
- + Best tipped Quadrella dividend: \$2289.50

The Day In Summary: So let's have a look at the numbers for this Friday's racing with 50 races covered. For the Exotics there were 19 Exacta's in total which is a strike rate of 38% with the biggest one paying out at \$102.40 with the best tipped Trifecta paying out at \$469.90 and the best tipped First 4 paid out at \$402.80. For Win Bets the best priced Top Selection winner was at \$4.00 with the strike rate for the Top Selection sitting at 36% with

the strike rate for the Top 2 Selections sitting at a respectable 52% of all races run. With Quadrella's the best today was a main one at Dubbo and it paid out at \$2289.50. And so that wraps up this Fridays racing.

- The Top 5 Suggested Bets below are the best bets of the day I think are of the best value and they are put there with the absolute clear intention that they will win, but if this happens or not is up to the laws of chance and the elements of luck & fate.

1. Special Suggested Bets Of The Day:

Benalla Race 1 Banker Exacta:

6 / 8, 10, 5

So its 6 for 1st
and 8, 10, 5 for 2nd.

Total Cost: \$12 buys a 400% share of the dividend.

Final Result - A win and paid out at \$28.80 for 400%

2. Where The Money Is: Those runners which stand out as being well supported early.

Dubbo Race 2 No 7 Olivia's Girl at \$10.00 and although there is not a huge amount of early money for this one there is enough to bring it under some attention so it might be worth an eachway gamble at the odds in an open type of race.

3. Best Longshot's Of The Day:

Coffs Harbour Race 1 No 2 Polly A Dor at \$67.00 and someone has had around \$700 eachway on this one early and it is 1st up from a spell today so might be worth a small eachway gamble but be advised it is only a 7 horse field so the place will only pay on the 1st 2 placegetters. This might be nothing or it might be something but I can only report on what I see and hopefully something good may come out of this information.

Final Result - Backed into \$6.50 on the tote but finished 5th

4. Best Multi Bet Of The Day:

All bets are for the PLACE.

Benalla Race 5 No 11 | Race 8 No 11 | Race 9 No 5

Suggested Bet: \$10

5. Best Quaddie Of The Day:

Benalla Quadrella:

Race 6: 1, 2, 3, 4

Race 7: 2, 9, 5, 7

Race 8: 11, 10, 5, 6

Race 9: 5, 8, 10, 6

Total Cost: \$13 buys a 5% share of the dividend.

Final Result - A win and paid out at \$929.80 for 100%

Fridays Predicted Betting Outlook: Coffs Harbour and the early money is a bit limited so keep an eye on the results so see if any betting patterns occur but overall treat this meeting with some careful caution but as always I am hopeful for the best. Dubbo and the early money is not that great at all so use a little caution as a guide to this meeting and watch the results carefully so overall I view this meeting with cautious but wise optimism. Benalla and the early betting money is reasonably good and I am happy with today's selections for this meeting and expect some good results with just a little luck as always required. Pinjarra and there is virtually no early money around so watch the results and go forward from there with mixed caution required. Sunshine Coast and the early money is just OK but not what I thought it would be so once again watch the results and go from there. And finally Cranbourne and the early money is solid and expecting few surprises tonight touch wood for the right kind of luck.

- The Top 5 Suggested Bets below are the best bets of the day I think are of the best value and they are put there with the absolute clear intention that they will win, but if this happens or not is up to the laws of chance and the elements of luck & fate.

1. Special Suggested Bets Of The Day:

Gatton Race 3 Banker Exacta:

Race 7: 4, 3, 2, 9

Race 8: 9, 6, 2, 3

Total Cost: \$13 buys a 5% share of the dividend.

Fridays Predicted Betting Outlook: Muswellbrook and I am happy with today's selections for this meeting and although there is not enormous amounts of money around early I think this meeting should run close to plan and my fingers are crossed for extra luck. Hamilton and the early money is OK and I would not expect too many upsets at this venue today the 1st 3 races are hurdles which provide some mixed interest and then after race 3 the action starts so watch the results and go from there. Canberra and there is never any early for this venue ever that I have seen but there are quite a few short priced runners competing that should really win but as always keep an eye on the results and move with a little caution. Gatton and again not a huge amount of early money around but what there is squarely is pointed at favored runners so watch the results and look for value in-between the lines. And finally Cranbourne and the early money is OK and its been a strange Friday so watch the results and see if any patterns emerge and then go from there that's the best advice I can give for tonight.

- The Top 5 Suggested Bets below are the best bets of the day I think are of the best value and they are put there with the absolute clear intention that they will win, but if this happens or not is up to the laws of chance and the elements of luck & fate.

1. Special Suggested Bets Of The Day:

Port Macquarie Race 8 Banker Exacta:

1 / 9, 5, 14

So its 1 for 1st
and 9, 5, 14 for 2nd.

Total Cost: \$12 buys a 400% share of the dividend.

2. Where The Money Is: Those runners which stand out as being well supported early.

Port Macquarie Race 6 No 6 Zuccherina at \$8.50 and this is one of those races which are few and far between today that there is real interest in early so might be worth a wait and see.

3. Best Longshot's Of The Day:

5. Best Quaddie Of The Day:

Wangaratta Quadrella:

Race 7: 13, 1, 15, 10

Race 8: 8, 6, 12, 15

Total Cost: \$13 buys a 5% share of the dividend.

Fridays Predicted Betting Outlook: Wangaratta and there is not an overwhelming flow of early money is a bit strange so strap in and watch the results for this meeting and then bet from there with some minor caution advised. Orange and apply caution to this meeting as well with low early money recorded it could be a day of mixed results at this venue so watch the results carefully and move from there. Beaudesert and again the early money is low but there are a lot of favored runners there today which should do well but I feel it is going to be a meeting with limited dividend value. Pt Macquarie and again there is only a little interest early with races 6 & 8 very strong so it might be worth following those 2 races. Darwin and there again is not much money around early but it does look like a favorites day at this meeting. And finally Cranbourne and this is the key meeting of the day and the early money is good and there might be some value on tonight's meeting but you might have to dig a little deeper to find it.

+ Best tipped First 4 dividend: \$321.00

+ Best tipped Quadrella dividend: \$3780.10

The Day In Summary: So let's have a look at the numbers for this Friday's racing with 51 races covered. For the Exotics there were 29 Exactas in total which is a strike rate of 57% with the biggest one paying out at \$378.50 with the best tipped Trifecta paying out at \$2459.20 and the best tipped First 4 paid out at \$321.00. For Win Bets the best priced Top Selection winner was at \$6.70 with the strike rate for the Top Selection sitting at 37% with the strike rate for the Top 2 Selections sitting at a respectable 57% of all races run. With Quadrella's the best today was an early one at Rockhampton and it paid out at \$3780.10. And so that wraps up this Friday's racing.

- The Top 5 Suggested Bets below are the best bets of the day I think are of the best value and they are put there with the absolute clear intention that they will win, but if this happens or not is up to the laws of chance and the elements of luck & fate.

1. Special Suggested Bets Of The Day:

Kyneton Race 2 Banker Exacta:

8 / 10, 2, 7

So its 8 for 1st
and 10, 2, 7 for 2nd.

Total Cost: \$12 buys a 400% share of the dividend.

2. Where The Money Is: Those runners which stand out as being well supported early.

Kyneton Race 8 No 12 Nothing But A Saga at \$5.75 and there is some noticeable support for this one early and is first up from a spell today so hopefully maybe ready to show something fresh.

Final Result - Finished 1st

3. Best Longshot's Of The Day:

Canberra Race 8 No 12 Gone Fishing at \$41.00 and there is not a lot of early money around at Canberra today at all but someone has had a little on this one in the wet so it may do something or it may do nothing time will tell I guess.

4. Best Multi Bet Of The Day:

All bets are for the PLACE.

Tamworth Race 6 No 7 | Race 7 No 6 | Race 8 No 9

Suggested Bet: \$10

5. Best Quaddie Of The Day:

Tamworth Quadrella:

Race 5: 3, 4, 11, 2

Race 6: 7, 12, 5, 2

Race 7: 6, 3, 8, 2

Race 8: 9, 3, 8, 4

Total Cost: \$13 buys a 5% share of the dividend.

Fridays Predicted Betting Outlook: Kyneton and the early money is fairly good and the program does look like it might run to plan and should hopefully run well. Tamworth and the early money is just fair but in saying that there are a lot of short priced prospects running so maybe the punters don't want to risk ruining value early, time will tell with this meeting so watch the results. Both Canberra & Rockhampton are low in early money, really low so show some caution to both these meetings and watch the results carefully to see if a winning pattern develops. Darwin and there is no early money around which is not surprising but even so I would not expect to much to go wrong there today so predicting a favored runners program. Sunshine Coast and the early money for the 1st 5 races is good so would expect a solid night however the last 2 races is poor so it might pay to watch those 2 races. And finally Cranbourne and the early money is OK but not extreme but in saying that on paper it looks like it might be a favorites night and I think it will turn out that way.

Fridays Predicted Betting Outlook: Ipswich and there is no money around early because of the early start I would say but nevertheless there are a lot of favored runners there today and I would expect them to win so I predict not many huge surprises today at Ipswich. Albury, Werribee, Qurind and Rockhampton are light on early money so some degree of caution may be suggested although I am hopeful.

The Day In Summary: So let's have a look at the numbers for this Friday's racing with 63 races covered. For the Exotics there were 33 Exactas in total which is a strike rate of 52% with the biggest one paying out at \$230.60 with the best tipped Trifecta paying out at \$178.60 and the best tipped First 4 paid out at \$593.20. For Win Bets the best priced Top Selection winner was at \$4.30 with the strike rate for the Top Selection sitting at 37% with the strike rate for the Top 2 Selections sitting at a respectable 51% of all races run. With Quadrella's the best today was a main one at Bendigo and it paid out at \$5335.60. And so that wraps up this Friday's racing.

Special Suggested Bets Of The Day:

Wagga Race 8 Banker Exacta:

2 / 10, 6, 11

So its 2 for 1st
and 10, 6, 11 for 2nd.

Total Cost: \$12 buys a 400% share of the dividend.

Where The Money Is: Those runners which stand out as being well supported early.

Bendigo Race 1 No 4 Saccharo at \$7.00 and hopefully we can start the day off in the right way with good support shown for this one early.

Result - Finished 4th backed into \$4.00 at one point and was caught real wide all the way.

Bendigo Race 8 No 8 Windsor at \$5.50 well backed early which may be a good indicator of this ones chances in a very open race.

Result - Unplaced, backed into \$4.50 but did not run a drum.

Best Longshot's Of The Day:

Walcha Race 4 No 11 Carry On Ringo at \$51.00 and there is some support for this one at the very long odds so may be worth a small PLACE bet 1st up from a spell today.

Result - A Winner as Finished 1st and it even surprised me.

Best Multi Bet Of The Day:

All bets are for the PLACE.

Walcha Race 4 No 9 | Race 6 No 4 | Race 7 No 2 | Race 8 No 9

Suggested Bet: \$10

Best Quaddie Of The Day:

Bendigo Quadrella:

Race 5: 6, 2, 16, 4

Race 6: 5, 1, 6, 8

Race 7: 11, 8, 10, 5

Race 8: 8, 18, 4, 3

Total Cost: \$13 buys a 5% share of the dividend.

Result - A Winner and paid out at \$5335.60 for 100%

Fridays Predicted Betting Outlook: An even amount of early money at Bendigo which is situation fine. Wagga is extra light on early money so it may prove wise to be a little cautious there today. Walcha and so far the early money is light, but even so I am still feeling optimistic about this location today. Toowoomba and there is a reasonable amount of early money support and enough to feel somewhat confident about today's chances. Hobart and there is a moderate amount of early money support, but generally Hobart always seems to go well anyway. York and there is very slow early money flow here but its not surprising for York racing there a lot of favorites there today that should win so do not give up hope. Canterbury not a huge amount of early money around except for real interest in race 8 no 11 and the Moonee Valley early money is strong and I am quite keen.
